

DEFINE

Milestone 4

Description

During this stage of parenting, parents and church work together to provide teens with biblical answers and explanations for the origin of the world, their purpose in life, the definition of a good life, and what happens after death. From this point, teens can begin to navigate complex cultural issues consistent with their worldview, and then charitably engage with others (1 Peter 3:15).

Preparation

- Support a missionary together as a family financially and through prayer
- Sponsor a Compassion International child in Bolivia
- Use our Discipleship Guides for your child's grade
- Take **Christ-Centered Parenting** class
- Coach your teen to be able to articulate the Gospel on their own
- See the Parenting Ministry website for additional resources

Ideas for Celebration

- Outreach event with family
- Missions trip with family

Connection to Path of Discipleship

- Commune with God
